# **COVID-19: Provider Enrollment Revalidation Due Dates Extended – Texas Medicaid**

## **Due dates extended**

As directed by the [Texas Health and Human Services Commission \(HHSC\)](#), Blue Cross and Blue Shield of Texas (BCBSTX) Medicaid will extend provider revalidation due dates through **June 30, 2021** to prevent provider disenrollment/disruption. Providers can view the revalidation status on the Provider Information Management System (PIMS).

The following revalidation due dates have been extended:

Original due date	Extended due date
March 2020	June 30, 2021

## **What actions are required by providers?**

Per HHSC, providers should submit revalidation applications before the deadline to avoid disenrollment. As a reminder, providers can submit their revalidation application up to 90 days before the due date.

**Note:** Texas Medicaid and CSHCN Services Program providers should confirm their current enrollment information in the Provider Information Management System (PIMS) prior to submitting their revalidation application.
